Presented by:

The full 2014 Series consists of six (6) individual time trials on consecutive Wednesday evenings: April 16, 23, 30 and May 7, 14, and 21 at Cherry Creek State Park, 4201 S. Parker Road, Aurora. First racer starts at 4:30 PM, and the final racer at approximately 7:20 PM. The full course is 9.6 miles but due to road construction it has been shortened to approximately 5.5 miles for 2014 (see attached map).

Due to the shorter course, the price for the series has been reduced and the option of racing twice, at a nominal additional fee, is encouraged. If racing twice you must change category and your number for the second start. You should plan on 40 minutes between start times. If you are 17 to 39 years-old you could race your category and then race Retro, Single Speed, or Tandem as your additional race. **NOTE: Start time selection will be done by email. Please be sure your email in your profile on Madsync is correct.**

USAC rules apply and a USA Cycling license is required, plus a BRAC membership. See www.usacycling.org to purchase an annual license and BRAC membership before registering.

Categories and Race Groups:

Individual races, if available on race day, are $10.00 for juniors and $25.00 for all others. An additional start time is $10.00. The series usually sells out. The entry fee includes Madsync, USAC, and LA operational surcharges, but does not include entry to the Park.

Note that USAC Rule 1H4(c) allows riders to enter one-day time trial events in their category or a higher category at their discretion.

Tandems:

Both tandem riders must have a USAC license, and both must sign releases, although only one needs to apply. The indicated entry fee is for the team and not per individual.

Retro Category:

No time trial equipment allowed. The following equipment is not allowed: aero bars, any rims deeper than 50mm, disk wheels, aero helmets, or flat-tube frames. Skin suits and shoe covers are permitted. The Chief Referee will make final decisions on all retro equipment and clothing.

REGISTRATION:

Start times will be based on first come, first served, the same as Bear Creek Lake Park TT Series was in 2012 and 2013. Be sure that your email address is correct on Madsync. After registering (usually within 48 hours) you will receive an email with available times to select from. Registration Link: http://mad.sc/ay4e

All times may be adjusted slightly before number pick-up in order to compress the start times by eliminating empty start times.

NUMBER PICKUP:

Friday, April 11, 3:00 to 6:00 PM at Green Mountain Sports.

Saturday, April 12, 2:00 to 6:00 PM at Adrenalin Cycles (9567 S. University Blvd.

Monday April 14, 3:00 to 6:00 PM at Green Mountain Sports (12364 West Alameda Parkway) and on each race day beginning at 3:00 PM at the Smokey Hill Parking Lot Pavilion.

RULES TO FOLLOW:

All riders must sign a Standard USAC Release; we will print them from Madsync for you.

All USAC rules apply, including STRICT ADHERENCE TO THE CENTER LINE RULE.

All riders must ride to the right unless passing another rider.

Helmets must be worn at all times when on a moving bicycle. All riders are required to report to the start house 3 minutes prior to their appointed start time per USAC Rule 3E5(a).

USAC rule 1I4 Young Junior/Youth Bicycles

All juniors are gear restricted by. KHMTT will use the "roll-out method" at the start for all juniors, which limits a top gear to 26' 0". Juniors please report a few minutes early to the start to insure that you can be rolled-out in time to make your start time. See http://www.usacycling.org/forms/rules/JUNIOR_GEAR_ADJUSTMENTS.pdf

USAC Rule 1I5. Young Junior/Youth Bicycles

All riders aged 14 and under are restricted to massed start bicycles as defined in 1I1(g). These bicycles must also have at least 16 spokes and no wheel covers may be used.

Green Mountain Sports will provide mechanical support and can do the gear adjustments in the Smokey Hill Parking Lot.

CHERRY CREEK STATE PARK (CCSP):

We are a guest at CCSP so please act as if your mother is watching you. You must enter the Park through the East Gate. This entrance is located on Parker Road, approximately 1 mile south of the intersection with I-225. Racers may not drive through any other entrance. Single day entrance fee is $9.00. An annual pass which includes all State Parks is $73. To purchase an Annual State Park Pass and the $3 CCWBA pass (required for CCSP) please visit:

http://www.parks.state.co.us/Parks/CherryCreek/Fees/Pages/Fees.aspx

Please note: It is illegal to park on the shoulder or on grass in the State Park. Failure to follow instructions from parking marshals will result in tickets and possible towing. You don't want to finish your race and find that your car has been towed.

RACE COURSE AND START INFORMATION:

The course is held on completely open roads at Cherry Creek State Park and features fast turns, rolling terrain and an uphill drag to the finish. The start line is near the East Shades Restrooms, ¼ mile from the Smoky Hill Picnic Area. Starts are at 20 second intervals - do not miss your start time! Do not warm-up in the area near the boat ramp as the Park does not permit bicycle use of that lot. Tandems will be started in such a way as to not interfere with riders in front or back of them.

WEATHER:

Races will be held in most conditions, including wind, rain, sun, sleet or snow. If weather conditions create a safety hazard, an event may be cancelled by the Chief Referee and the race organizer. The cancellation of an event will NOT result in the race being rescheduled. No refunds will be given for any event cancellation.

Race cancellation may not be determined until 3:00 PM on race day. Race cancellation will be posted on the BRAC website: www.coloradocycling.org

PLEASE NOTE:

You will be issued one number per start time for the entire series. Racing numbers are not transferable to another racer. The race number must be pinned correctly on the right side. If the number is obstructed by hair or other obstacles from the view of the spotter or timers, then you may not receive a time and any protest is invalid.

RESULTS & AWARDS:

If there are 10 or more entrants in a category, then medals will be awarded to the top three in that category. If less than 10 racers then only the top finisher will receive a medal. Please see www.coloradocycling.org for results and other important information. The rider's best placing in five races will be used to determine the overall winner. The point system used is at:
