Registration:	\$20 – quite the bargain – 2 nd race is an extra \$5. Race day registration only. With the crazy March weather, we will make every effort to hold all the races. There will be no refunds – sorry. Registration opens at 7:45 and closes 15 minutes prior to each race start. As with all Alpha and Seek 1 events, juniors race free in junior categories. We will be capping the categories at 50 riders per category, so please show up and register early.
Course Description:	This is a closed loop crit course with a nice sized hill to climb and some good tight turns to shake the winter cobwebs out. Great for getting in shape for racing and to sharpen the bike handling skills. It is approximately a 1 km loop.
Rules:	All ACA Rules apply. ACA licenses are required. One day licenses are available for \$10. No annual licenses will be sold onsite – so make sure you have yours before the race. The One Day License is included in the Entry Fee for the Newbie Class. This is a training series – points for upgrades will not be awarded. Neutral wheel support – Crit rules apply. All bikes must have 2 working hand brakes – this includes fixies.
Lapped Riders	This is a training race, so we want to keep riders in the races as long as possible, but still want accurate scoring. If you are out of contention for the race, please pull out when we hit 3 laps to go to make it easier for scoring the race.
