Hey everyone!

Thank you for your interest and support for the junior bicycle racing in Colorado!

With our reintegration with USAC, we have important information to discuss with our junior teams and parents for the 2012 season.

As always, time will be limited and everyone has ideas that deserve to be heard. I am asking that some or all of these be voiced in the ACA Forum.

If you plan to attend, please send me an email so we can plan accordingly.

Thanks in advance to everyone!
