

Hello, my name is Mike Miller and I am the owner, operator & visionary of the Basil Doc's Pizza (BDP) restaurant group. Some of you 'older' members of BRAC (ACA) might also remember me as the owner/operator of the HandleBar & Grill - 'we ain't no chain', from 1996 to 2006 (Alameda & Downing, Denver).

I am seeking your vote for the 2020 BRAC BOD not because of some new found passion for the cycling community but from a long standing relationship with BRAC. This passion for Colorado cycling dates back to the original Big Wheel Bike Shop (ask Yvonne van Gent). I was introduced to the Big Wheel Bike Shop in the mid 70's when I was an undergraduate at Denver University. In 1999, by design, the BDP Crestmoor location opened their doors in the location once occupied by the Big Wheel Bike shop - A very calculated business decision with absolutely zero regrets.

I have been a long time supporter, sponsor & partner of BRAC. Currently, I consider myself to be on the BRAC "Board of Supporters". Now is time for me to transition to the BRAC Board of Directors. This process is simply not going to happen without your vote.

I am not an active competitor in the BRAC road, track, or CX - truth be told, I compete in MTB events. I (BDP) have been and will continue to be an active supporter of BRAC - their efforts & events. This relationship dates back to 1996 - the original Cherry Creek Time Trial series (the original course), has progressed through the Bob Cook Hill Climb & 'too many events to mention'... right up to the current ... with the December 14, 2019 Erie Elves 5K run.

I simply cannot & will not sit on the sidelines and spectate the current trajectory (financially and events) of the BRAC / USAC relationship. I am 64 years old and I still have significant gas in the tank that will not allow me to stand idly by and not think outside the box. Consequently, I am asking for your vote - seeking a position on the BRAC 2020 BOD.

I have been an active and passionate mouth piece for BRAC over the past 23 years+: now is the time to come full circle. Some of the components in my "passion equation" are: I have owned and operated my own (HBandG) races series (Spirit of the Rockies and Mountain States Cup), I sponsored the HandleBar & Grill cycling team (+10 years), I have sponsored & supported numerous cycling events over the past 23 years (USAC & BRAC). At the end of day "I know a thing or two, because I have seen a thing or two." I look forward to speaking with the BRAC members on Saturday, February 1 at the Club Council meeting. Thanks for your consideration.

Sincerely,

Mike Miller
