Discussion on how to reduce race costs for 2022

Finances approved

- Race Updates

Still identifying location for state road championships

Continuing to develop mountain bike season<sup>[1]</sup><sub>[SEP]</sub>

- Dove Valley

Discussion about creating a Colorado Crit Series, 5 races, different locations, creating a prize purse to disburse to race winners in each category<sup>[1]</sup><sub>[SEP]</sub>

- Team Colorado

Team Colorado raced at Tour of America's Dairyland, 18 juniors participated, notably they raced as a team, podiumed throughout the event, saw juniors in leader jerseys throughout the week, and showed their quality as athletes representing Team Colorado. Huge success!

- New Business

Expansion of cycling events to include mountain, gravel - what's missing and what can Colorado Cycling contribute

Rider surveys, lower response rate as the season continues. overall there is approval from riders and most say that they would return to the event the following year.

Need for Velodrome access to prepare for national and world events. Velodrome may allow events after the Olympics but nothing has been decided.

Database - by next meeting, have 2-3 options presented, or have a definitive plan in place. Andy to present Wild Apricot in July.

- Joe presented format for junior grants at May meeting. Policy approved.
