

USA Cycling/Colorado Cycling 2021 Permitting Guidelines

2021 Race Permit Process is done online at USA Cycling

Click [here](#) for step-by-step instruction.

The following are important items you should be aware of when planning your event

Promoting Club/Race Director

Listed event organizers of a registered USA Cycling club, or licensed race director can permit events and by doing so agree to comply with all USAC policies in addition to policies set by USAC local association, Colorado Cycling .

A typical [USAC Club membership](#) is \$200, but it is also recommended that your club join [Colorado Cycling](#), \$100, to receive additional benefits USA Cycling does not offer to race directors.

Type of Permits

USAC offers a variety of [permits](#). Choose the appropriate permit application(s) for your event. Most events will require a competitive application. Those event organizers/race directors that wish to include a Kids Race (under 9 yrs of age) will need to pay an extra \$25 for a special kids permit and by doing so will not need to have kids pay USAC insurance surcharge fee or have licenses.

USAC Permit Applications must be received eight (8) weeks in advance of event date to avoid late filing fees

- If not received eight weeks prior to event date - \$ 25 Late fee
- If not received four weeks prior to event date - - \$100 Late fee
- If not received two weeks prior to event date - - \$200 Late fee

Insurance

By permitting your event with USAC you have access to various insurance programs that provides coverage not only to your event but to licensed athletes with coverage while they race at your event. A list of the various insurance programs can be found [here](#).

A general liability policy covers events permitted by USAC. The policy limits are \$1 million per occurrence with a \$3 million event aggregate. For all events, race directors do have the option to purchase an additional \$2 million (per occurrence/per policy aggregate) for liability coverage for an additional charge. Price is dependent on number of participants so see [USA Cycling Schedule of Fees](#) for prices.

USAC Insurance certificates will automatically be issued for the race director and each sponsoring club free of charge if listed on the permit when first filed. If another party, such as landowners, municipalities, etc., is required to be named as an additional insured, the cost will be \$13 each. This \$13 fee will apply each time your certificate needs to be reissued, so make sure your request is complete and accurate the first time including spelling, addresses, and the proper way to list the insured on the certificate. If a special endorsement is required for the insurance certificate there is a \$75 fee per request.

Typically, the USAC insurance for riders is included as part of your entry fee. The fee varies depending on the type of permit you apply for and incentives you can apply for. Those fees and incentives can be found in [here](#).

At events requiring motor referees or officials in a caravan, race directors should purchase USAC Non-Owned/Hired Automobile and/or Motorcycle Insurance. Without this, you as a race director/club are not covered if something were to happen. If the promoting club is a member of Colorado Cycling we will do the Non-Owned/Hired Automobile and/or Motorcycle Insurance paperwork and pay the fees to cover 2 motors at criteriums and up to 4 at a road race. If additional cars/motor are needed Colorado Cycling will then charge the race director for the remaining cost. Non-Colorado Cycling clubs will be responsible for doing the paperwork and paying the fees upfront when filing for the USAC permit

Race Announcements/Flyers

USAC requires local associations to review Road,Track,Cyclocross flyers, so Colorado Cycling prefers you send us you flyers prior to submitting your permit. However, if it hasn't been by the approved by us you want to submit your permit to USAC just watermark it Draft, and once approved and we will post it to the Colorado Cycling site and send it to USAC for posting. See [Race Announcement Guidelines](#).

Colorado USAC permitted competitive events (Road,Track,Cyclocross,) plus Colorado USAC non-competitive permitted events (Gran Fondos, Gravel events, Fun Rides/Tours, Camps/Clinics) will be listed on the Colorado Cycling calendar. Colorado Cycling member clubs, who complete a race calendar date request form and submit a race calendar refundable deposit of \$100, in addition to being listed on the Colorado Cycling calendar will have links to their flyers, pre-registration site/ club websites posted on our website, be listed on the Colorado Cycling homepage 2 weeks prior to their event and have e-blasts sent to all Colorado Cycling members the week of the race.

Participant Licenses

The type of permit applied for determines the type of license required by a participant. Most events will require some type of USAC license.

USAC Road, Track Cyclocross:

- [USAC or Collegiate Annual License](#)
- USAC *Beginner* 1-Day competitive license: \$10.00/day
(these are available on site or online at USAC and BikeReg to Novice (category 5 men and women) who have never held a USAC license with a higher category in the discipline they are registering for)
- USAC *Experienced* 1-Day competitive license: \$25
(may only be purchased online at USAC by former USAC members to race in categories excluded by the *Beginner* license)

If the promoting club is a member of Colorado Cycling, then in addition to a USAC license, participants in competitive events must have either a

- [Colorado Cycling Annual membership](#)
1-Day Colorado Cycling membership: \$5.00/day (1-day USAC *Beginner* licensees & Out-Of-State licensees are exempt)

Collegiate Events:

- [Collegiate Annual License](#)
- [Collegiate 1-Day license:](#) \$10.00/day

Training Rides, Clinics, Camps:

- [USAC or Collegiate Annual License](#)
- [USAC Non-Competitive 1-Day:](#) \$10/day

Gran Fondos/Gravel Events:

- License is not required

Fun Rides/Tours/Charity Rides:

- License is not required

Releases

All participants must sign the [2021 USAC standard release form](#). However, if your pre-registration company is BikeReg most participants will NOT need to sign a release on site. (USAC will only accept electronic signatures from BikeReg.) Race Directors should check the BikeReg tool that lists those riders that do need to sign waivers onsite. If USAC one-days or annual licenses need to be on site it is strongly recommended that they do so on the USAC website using their smart phone, otherwise participants should complete the 3-part "ONE DAY & ANNUAL LICENSE APPLICATION" form. You are to give the yellow copy to the rider, pink for your records and white copy goes to USA Cycling.

Any volunteers, including promoting club members, must sign a volunteer release form.

Race directors are to keep all signed releases for a minimum of 10 years.

If an accident occurs, a [First Report of Occurrence](#) must be completed by the medical person on site and the individual's release form must be attached. This paperwork needs to be presented to the Chief Referee at the end of the race.

Medical Personnel

A person who is licensed as an EMT, Paramedic or a comparable medical professional with triage experience, **must** be at all competitive events to facilitate the handling of medical services and decisions during the event. **Event will be cancelled by Chief Referee if this requirement is not meet.** Medical person is required to complete a USAC First Report of Occurrence on every person he/her treats, excluding those that receive treatment for superficial road rash.

Entry Fees

USAC/ and Colorado Cycling recommends charging fees that are fair and reasonable to the rider. Colorado Cycling encourages race directors to allow juniors a reduced entry fee, in an effort to keep juniors racing. Colorado Cycling encourages gender equity in prize lists.

Event Fees

The following fees must be charged and are typically included as part of the entry fee.

USAC Rider Insurance Surcharge

- Road, Track, Cyclocross, Gran Fondo's, Gravel, Training Rides, Camps, Clinics
 - \$125 min.; \$5.00/rider/day; \$4.70 discount rate if [incentive requirements](#) are met
- Fun Rides/Tours/Charity Rides- \$4.00/rider/day; \$3.70 discount rate if [incentive requirements](#) are met

Colorado Cycling Race Service Fee

Colorado Cycling charges a fee to Colorado Cycling Event Organizers putting on road, CX, or track events. There are two tiers (basic and premium) that comes with different benefits as described in [Colorado Cycling Schedule of Fees](#) – last page.

Colorado Cycling will email a post event invoice to Colorado Cycling event race director which will indicate fees due to Colorado Cycling. USAC will inform the race director fees owed to them after the event.

If a competitive event is not promoted by a Colorado Cycling club, or if it's a non-competitive, then race director is responsible for calculating and sending all required materials to USAC directly.

Other USAC surcharges that can be collected are as follows, assuming it is clearly stated on race announcement and has been distributed at least 30 days before your pre-registered deadline.

- Late or Post Entry surcharge: at the discretion of the race director
- Unattached Rider surcharge: up to \$ 5.00 (Cat 5 men & women may not be assessed this surcharge)

Officials' Fees

Race director shall pay USAC officials a daily fee based on the race category. The fees are based on the highest race category for that day, plus reasonable and necessary travel Lunch and liquid refreshment for events over are to be paid at the conclusion of the even

- 2021 IRS Mileage Rate: 56 cents per mile
- Single Day Per Diem: \$15
- Housing if Overnight is required
- Multiple Day Per Diem when overnight stay required: \$ 35
- Site Visit: \$50 plus mileage
- Site Visit Per Diem if overnight needed: \$25

Rocky Mountain Road CUP

The Rocky Mountain Road Cup is a point's competition for the road season. Annual Colorado Cycling members compete in selected Road CUP events gaining points for both Individual and team awards. Colorado Cycling member clubs/organizers, in good standings, may apply for CUP designation for their event.

To be a Rocky Mountain Road CUP race all categories must be run, however, certain combinations are allowable. See the Rocky Mountain Road Cup Policy on the Colorado Cycling website for more details concerning these combinations and other CUP requirements.

Colorado Cross CUP

The Colorado Cross Cup is points competition during cyclocross season. Annual Colorado Cycling members compete in selected cyclocross CUP events gaining points for both an Individual and team awards.

To be a Colorado Cross CUP race all categories must be run, however, certain combinations are allowable. See the Colorado Cross CUP Policy on the Colorado Cycling website for more details concerning these combinations and other CUP requirements.
