Mini Classic Race Course Descriptions:

Time Trial: Saturday. We have a brand new course for the time trial in 2014! Look for fast turns, false flats, climbing and descending – bring your 'A' Game for this one!

Criterium: Sunday. Another new course for 2014 – the criterium uses the wide streets of downtown Rifle, Colorado. Fast and tactical, this criterium provides the opportunity for many racers to score points.

Road Race: Monday. The Queen Stage of the Mini Classic, the Road Race Start/Finish is located in Veteran's Park in Silt. Younger racers race a 14 mile lap, and older racers get an 18 mile lap with additional climbing. Both courses include a challenging climb from the start, numerous rolling hills, and a twisting descent back into town. This is a true all-rounder's race course with fantastic views of the valley and Grand Mesa!

Awards: Final GC Awards will be presented at Veteran's Park on Monday at the conclusion of each wave of racing: 11:45 AM, 1:45 PM, and 4:45 PM.
