**All USAC Rules Apply**

## The Down and Dirty:

- **The prizes? Over \$5,000+ in cash plus Ska Beer and SWAG!** Must be present to win, no going home early. You're not going to get rich being the Best on Hess, but you'll be the Best. Period. Special prize for "Most Active Athlete" whoever races the most.
- **Are you really having a Tour de France style starting ramp and Podium Models?** YES! As you are about to become the Best on Hess, you're kind of a big deal and deserve a suitable launch pad to display your awesomeness. And please, no groping the models.
- **What's the course like?** Hess Road is a spectacular bike racing course that just happens to allow cars on it. It was made for you. With a wide shoulder & brand new surface, it's become one of the most popular routes in the area. It's an out and back with rolling climbs each way, and fun fast descents, centerline rule in effect. Check it out: [www.strava.com/segments/4652698](http://www.strava.com/segments/4652698)
- **What category can I race?** Racers can race their own category or faster, but not slower. I.E: if you hold a 3 license, you can race Categories 3, 2 or 1. If you hold a 1 license, you can only race 1. USAC 1-Day license: \$15, only for Cat 5 men, Cat 4 Women and Juniors who have never previously held a USAC license with a higher category. Same applies to TTT & Tandems.
- **What's the cost?** The most fun you can have for \$30 in fact, and if you race twice, the 2nd race is only \$20. You do need a USAC license, so if you need to buy a 1-day that's \$15. If you hold a racing license already but are not a member of BRAC, that costs \$5.
- **Registration?** Registration is **online only** and closes at **10:00AM on FRIDAY THE 13th!** There will be **no** race day registration! Register online at [www.TeamRMHP.com](http://www.TeamRMHP.com) or [www.usacycling.org/register/2014-1432](http://www.usacycling.org/register/2014-1432)
- **Free Lunch?** Thanks to the generosity of **Alpine Lumber**, everyone gets a free meal!
- **Packet pickup?** Optional, Friday the 13th from 4-6PM at Nice Bike, 2435 S. Broadway, Denver, 80210 720-242-6107
- **When is my start time?** Start times will be emailed to you on the 13th. They will also be posted on our website, [www.teamrmhp.com](http://www.teamrmhp.com).
- **What does "Non Aero" mean for those races?** No aero equipment. TT helmets, wheels deeper than 30mm, aero bars, heck, even those aero shoe covers are out. Just you, whatever bike you can dust off, and the clock. We'll even give bonus points for anyone hard core enough to do it on a mountain bike. TT / Tri setups are good for other categories, so bring the fastest swag you've got! (disk wheels, bars, pointy helmet)
- **How easy is it to get there?** Incredibly easy and close to home. It's just south of Lincoln Avenue on I-25, exit 188. As you exit the freeway, you can look to the east and see the start. Go east after the exit ramp, then north on the frontage road to the parking lot. Marshals will guide you through parking. Registration will be at the south end of the parking lot. [Best On Hess area map.](#)
- **Juniors?** We offer all the categories: 17-18, 15-16, 13-14, 11-12 and 9-10 both men and women. All junior rules are enforced like gear restrictions for all (Rule 114) and under 14 must use mass start bikes (Rule 115). Complete rules: [www.usacycling.org](http://www.usacycling.org). Entry is free in the Junior race categories, normal fees apply for adult races, regardless of age. And if an under age racer makes the podium in an Adult race, we will substitute SWAG for the beer prizes. Sorry Dad, no beer for you, and shame on you for trying to win beer via your kid. Enter up yourself!
- **Questions?** General questions contact the Race Director, Doug Gordon, [Info@teamrmhp.com](mailto:Info@teamrmhp.com) or 303-517-0019. Registration questions, [Registration@teamrmhp.com](mailto:Registration@teamrmhp.com)
