**All USAC Rules Apply**

COLORADO'S RICHEST

TIME TRIAL!

## The Down and Dirty:

- **The prizes?** **\$5,000 in cash plus Lone Tree Brewing Beer and SWAG!** Must be present to win, no going home early. You're not going to get rich being the Best on Hess™, but you'll be the Best. Period. Special prize for "Most Active Athlete" whoever races the most.
- **Are you really having a Tour de France style starting ramp and Podium Models?** YES! As you are about to become the Best on Hess™, you're kind of a big deal and deserve a suitable launch pad to display your awesomeness. And please, no groping the models.
- **What's the course like?** Hess Road is a spectacular bike racing course that just happens to allow cars on it. With a wide shoulder & brand new surface, it's become one of the most popular routes in the area. It's an out and back with rolling climbs each way, and fun fast descents, centerline rule in effect. Course is open to traffic! No support vehicles will be allowed, however we will have radios and a roving vehicle for mishaps. Check it out: [www.strava.com/segments/4652698](http://www.strava.com/segments/4652698)
- **What category can I race?** Racers can race their own category or faster, but not slower. I.E: if you hold a 3 license, you can race Categories 3, 2 or 1. If you hold a 1 license, you can only race 1. USAC 1-Day license: \$15, only for Cat 5 men, Cat 4 Women and Juniors who have never previously held a USAC license with a higher category. Same applies to TTT & Tandems. Contact [registration@grcapracing.com](mailto:registration@grcapracing.com) if you want to race up a category.
- **What's the cost?** The most fun you can have for \$30 in fact, and if you race twice, the 2nd race is only \$20. You do need a USAC license, so if you need to buy a 1-day that's \$15. If you hold a racing license already but are not a member of BRAC, that costs \$5.
- **Registration?** Registration is **online only** and closes at **9:00AM on FRIDAY THE 12th!** There will be **no race day registration!**
- **Register online [HERE!](#)**
- **Free Lunch?** Thanks to the generosity of **Alpine Lumber**, everyone gets a free meal!
- **Packet pickup?** Optional, Friday the 12th from 4-6PM at Jinji Cycles, 2538 W 32nd Ave, Denver, CO 80211 303-433-3474. [Jinji Cycles map link](#)
- **When is my start time?** Start times will be emailed to you on the 12th. They will also be posted on our website, [www.grcapracing.com](http://www.grcapracing.com) by 2pm.
- **What does "Non Aero" mean for those races?** No aero equipment. TT helmets, wheels deeper than 30mm, aero bars, heck, even those aero shoe covers are out. Just you, whatever bike you can dust off, and the clock. We'll even give bonus points for anyone hard core enough to do it on a mountain bike. TT / Tri setups are good for other categories, so bring the fastest swag you've got! (disk wheels, bars, pointy helmet)
- **Team Time Trial** - Men's teams up to 5 riders, time is taken on the 3rd rider. Women's and Jr's teams up to 4 riders, time is taken on the 2nd rider as per USAC rules.
- **How easy is it to get there?** Incredibly easy and close to home. It's just south of Lincoln Avenue on I-25, exit 188. As you exit the freeway, look to the east and see the start. Go east after the exit ramp, then north on the frontage road to the parking lot. Marshals will guide you through parking. Registration will be at the North end of the parking lot. [Best On Hess™ area map.](#)
- **Juniors?** We offer all the categories: 17-18, 15-16, 13-14, 11-12 and 9-10 both men and women. All junior rules are enforced like gear restrictions for all (Rule 114) and under 14 must use mass start bikes (Rule 115). Complete rules: [www.usacycling.org](http://www.usacycling.org). Entry is free in the Junior race categories, normal fees apply for adult races, regardless of age. And if an under age racer makes the podium in an Adult race, we will substitute SWAG for the beer prizes. Sorry Dad, no beer for you, and shame on you for trying to win beer via your kid. Enter up yourself!

**How Much Will I WIN?**

Finally, a prize system worthy of your talent and how many others you bludgeon with your awesomeness.

Aside from **GOLD BAR POINTS**, we are giving away MONEY. Spendable, hide from your spouse kinds of MONEY.

**Individual Time Trial prizes:**

**\$15 per entry goes into the pot, and the Jackpot is paid out 3 deep in the Individual Time Trial at 50%/30%/20%.**

Since you are a cyclist, and statistics have shown you are of above average intelligence, let's do some quick math together;

Example;  
 48 entries in your field = \$720 purse.  
 1st = \$360 / 2nd = \$216 / 3rd = \$144

The moral to the story is:

**More entries = More CASH!** This is your chance to change racing for the better as prizes grow with the fields... So tell your friends!

**Team Time Trial Prizes:**

**\$10 per entry goes into the pot. A full men's team gets \$50 kicked in. Full women's team gets \$40. That's 50% of your entry going to the jackpot!**

**1st place gets all the CASH, 2nd place gets glorious Lone Tree Brewing Company beer!**

**Prize for the Most Active Racer:** 2 lift tickets to Aspen - Snowmass because, by the time winter comes, you will need a BREAK!

**Note**

-The actual prize matrix will be generated after registration closes on Friday, and you will go home with your winnings on race day.

- **No beer prize** will be awarded to a Team with a junior rider! **PERIOD!** Cash/SWAG only!
