To enter the collegiate races, riders **MUST** have a USA Cycling Annual License. No one-day licenses will be accepted. License status must be verified prior to race day. No licenses will be sold on site. All collegiate riders must be duly registered as part of a Colorado, Wyoming, or Utah team to earn collegiate points. Women's C will compete in the same wave as Women's B in all events, but will be scored separately. There will only be one podium for awards (collegiate + open), but collegiate riders will be scored separately for conference points.

Call ups for XC and STXC

Teams will be called up based on a random draw. In the first round, each team can send one rider, followed by a second round, and then a third. After the third round, everyone remaining will be staged. Non-collegiate riders will be randomly interspersed during the call ups. Each event will have a separate draw.

Awards

Podiums will be held 15 minutes after the results of the podium have been established and posted near the finish line. All events and categories will receive medals and the opportunity to have their pictures taken on the podium.

Granby Ranch

This is a very popular venue for MTB racing. However, we are sharing the venue with other guests and events. There is a tight timeline for use of the lifts to accommodate other guests going up to the top for weddings. There will be **blackout periods of 1:30 PM – 3:00 PM when no cyclists may use the lifts**. Please plan accordingly.

Granby Ranch also has their own waiver which you must sign online. Please be sure to do this prior to arrival [at the this link](#).

Lift Tickets

Discounted lift tickets may be purchased for \$30/day via BikeReg.com as an add on. Once registration is closed, you will have to purchase them at full price from the ticket window.

Camping

Camping will be allowed in the upper parking lot. Tent camping is \$20/day for two tents, or \$40/day for an RV. Please use the links below:

Accommodations

Preferred housing at Granby Ranch is [via this link](#). There are lots of nearby condos with great views of the course. There are also plenty of hotels in Granby and Winter Park, both of which are a short drive from the venue.

Clinic

There will be a new rider clinic for endurance on Saturday before the XC events start. Please sign up on BikeReg if you plan to attend. The clinic is free.

The Courses

Super D

From the top of the lift, proceed to the right and head towards Silky Johnson. The start is just past the intersection of Silky Johnson and Bee Line.

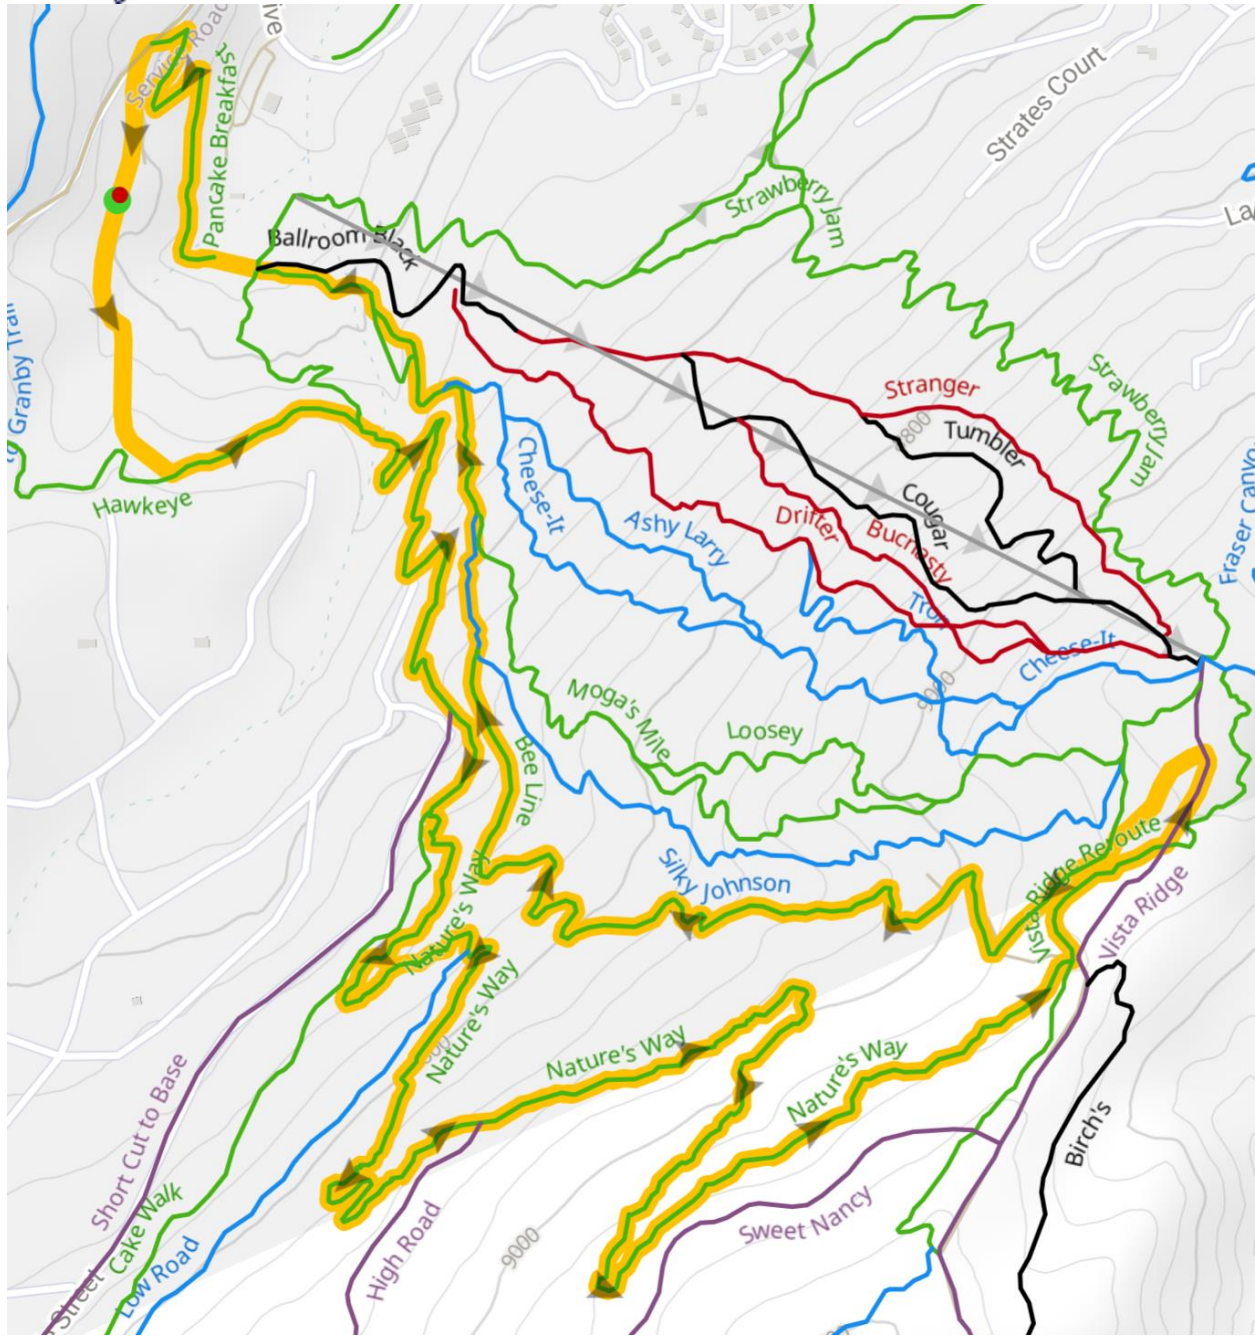

Downhill

When you get to the top of the lift, you are basically right at the start for the downhill, which is using Cougar.

Cross Country

The S/F for both the XC and STXC is up on the road right by the camping area. It is right by the Facility Shop building. The route follows the dirt road to Hawkeye, to Natures Way, to Bee Line, across a field, and onto Pancake Breakfast, and back onto the road just below the camping area.

Short Track XC

The STXC uses the same S/F as the XC, but runs the opposite direction. The race descends Pancake Breakfast, and gets back on the road up to the S/F.
